

2-D Shapes in our daily life

Can you find any 2-D shapes in your daily life? In the table below, stick some photos, pictures or draw 2-D shapes in the first column, then complete the second column. Match each shape with its name. The first two are examples.

I found ...	It has ...	What is the shape?
	<u>5</u> lines <u>0</u> curves <u>5</u> points	 Triangle
	<u>3</u> lines <u>0</u> curves <u>3</u> points	 Quadrilateral
	<u> </u> lines <u> </u> curves <u> </u> points	 Pentagon
	<u> </u> lines <u> </u> curves <u> </u> points	 Hexagon
	<u> </u> lines <u> </u> curves <u> </u> points	 Circle
